At least two archers must be registered in a group for the group to be valid in Lithuanian Championship. In case there is only one athlete in a group, this athlete becomes the winner of the championship, but does not acquire the title of the champion. Lithuanian athlete with the highest final ranking in a group becomes Lithuanian Champion. The teams are combined of three athletes of the same sex, from the same bow division and the same club. All athletes must wear sports or club costumes and sports shoes. It is strictly forbidden to consume alcohol or be under effect of alcohol and similar substances. Each athlete is responsible for their own meal as well as health and accident insurance. All questions are solved according to WA rules. The final decisions are made by the Director of Shooting, Chairman of Judges, organizers' representative and LLF delegate together.
